

Dri-Sponge™

Dry Cleans Nubby Fabric Ceiling and Wall Panels

Ideal for on-the-job touch-up.

Dri-Sponge™ is an economical, convenient method for cleaning Capaul® Brand nubby fabric-faced ceiling and wall panels. A few light strokes removes dry surface dirt and fingerprints without wetting or staining the panel.

Reusable-rinse and dry overnight.

Each Dri-Sponge™ is impregnated with a special dry cleaning chemical which attracts dirt particles while preserving the original nap of the fabric. The chemical action of Dri-Sponge™ is long-lasting and reusable – just rinse clean and allow to dry.

Ideal for on-the-job touch-up.

Dri-Sponge™ is ideal for on-the-job cleaning. Installation crews can rapidly touch-up soiled panels, in place, for a spotless finished appearance.

Note: Not recommended for water stains. May not be effective on deeply soiled panels.
