L-SERIES

Small Case Mortise Deadbolt

Schlage's L400-Series small case mortise deadbolt offers a variety of functions to suit heavy-duty door applications. This ANSI 156.5 Grade 1 deadbolt can offer the security that is needed in a commercial and institutional facility. The 1" (25mm) throw deadbolt provides the added security against kick-in attacks. The L400-Series small case mortise deadbolt can be specified for applications in offices, schools and hospitals.

Performance Specifications

Certifications: ANSI 156.5-1992, Grade 1.

Underwriter Laboratories, Inc.: Meets all requirements for U.L. listed door ratings.

Benefits & Features
